

LUT is among the

# WORLD'S TOP 175

business schools in THE Rankings

*Moi moi!*

# The facilities

- modern classes (Finland is the country of design, you will notice it :))
- 24/7 open - electronic key
- 4+ canteens (with vegan and gluten free options always available)
- café
- gym
- supermarket
- library
- faculties lounges

# Courses

- Step by step work: projects are **obligatory**, the grade does not depend solely on the final exam (never!)
- **Team works**, reports, individual essays, quizzes, simulations...
- In my case, lectures were held in hybrid mode
- A lot of your classmates will be workers/parents/international students => time management
- Academic papers, ACADEMIC PAPERS, **ACADEMIC PAPERS!**

# The study plan

- some courses are obligatory
- minimum 60 credits from LUT
- 4 periods, not 2 semesters
- Thesis = 30 credits!! (One-semester full-time work)
- The master thesis is like any other course: step by step process
